Egmond aan Zee, Tuesday the 26th of september 2017

Canadian Jeff Smith receives wildcard for Finder Darts Masters 2017

Again, the organization of the Finder Darts Masters has handed wildcard to a player. This time, Canadian Jeff Smith was the one who received the wildcard.

Jeff Smith finally broke through in 2015. The Canadian surprisingly reached the final of the Lakeside World Pro where he lost from Englishman Scott Waites. But since that day, the 41-year-old Canadian is a fierce opponent and he will definitely go for the title at the Finder Darts Masters stage.

The list of players is almost completed, four wildcards are still available. The organization will issue another 3 wildcards and also the Nederlandse Darts Bond will have a wildcard available for the tournament, held from 8 to 10 December at Hotel Zuiderduin in Egmond aan Zee.
